## ACKNOWLEDGEMENTS

The Commission would like to express its deep appreciation to those who testified before the Commission as expert witnesses; the researchers and analysts who prepared research papers under contract to the Commission, and others who assisted in the Commission's work by briefing the Commissioners on a wide array of economic and security issues. All these efforts helped inform the Commission's and the public's debate on issues vital to ongoing U.S.-China relations.

The Commissioners are especially grateful to T. Scott Bunton, Executive Director, for his exceptional professional efforts in organizing the work of the Commission and in the preparation of the final Report to Congress, and offer special thanks to Andrew Gudgel who served as technical editor of the final Report, to the policy analysis staff for their exemplary assistance in framing the debate and assisting in the writing and editing of the final report, and to Paul Magnusson for the guidance he provided to the staff analysts concerning drafting the Report. They also express their thanks to the Commission's administrative staff and former staff members, research interns, fellows, and others who assisted the Commissioners and staff during this Report cycle by preparing research material and background information and by providing program and administrative support for the briefings and public hearings. They include Don Padou, Romaine Houle, Jake Barrett, Suzanne Zweben, Davetta Vaughn, Scott Allan, Nicole Lobaugh, Cammie Lee, Melanie Mickelson-Graham, Jarrod Stuard, Elizabeth Barrett, Samuel Chester, Richard Komaiko, Peter Brookes, Jr., Kelin Loe, Tina Lin, Yuval Krongrad, and Andrew Ham.
